About Our Company

Total Service Packaging, LLC is focused to service the freight line industry, providing preventive maintenance inspections, as well as, repair and maintenance for both dock and office facilities. TSP technicians work directly with site management, and appreciate the rigorous demands placed upon site personnel and the need for strong coordination of time and dock space assets.

Total Service Packaging, LLC has been in business for over twelve years. Current service area ranges from Virginia to Florida, and west to Texas, as well as, the St. Louis and Chicago areas.

Although, TSP is a relatively young company, I, myself, have over twenty years experience in the industrial maintenance/management field. I employ solid planning and strong communication skills, in order to execute cost effective preventive maintenance plans and asset improvement projects. Through my years of experience as a plant engineer I have come to appreciate people in the entire organization.

Total Service Packaging, LLC continues to grow as our customers realize the financial benefits of solid facility maintenance and enjoy the day to day

benefits of outstanding workmanship. Our geographical service area continues to grow, with our rolling assets following in kind to meet this demand. TSP mobile work centers are fully equipped with tools and equipment in impeccable working order, including full metal fabrication capabilities. TSP qualified technician teams are committed to quality and service. TSP strives to place state of the art equipment in the hands of highly competent technicians to realize outstanding results.

Total Service Packaging, LLC is financially sound and commercially insured, with references available upon request. TSP provides workmens' compensation for its employees as well as an employee benefit package including healthcare, life insurance, paid vacations and holidays. Our investment in people provides our customers with consistent reliability every time we provide service.

Total Service Packaging, LLC puts together a TOTAL SERVICE PACKAGE!

*Sincerely,
Bill Richardson*

Total Service ❖ Total Quality ❖ Total Commitment to our Customer
